

VELE GAE AULENTI

1872x1152 pixel (visible area)

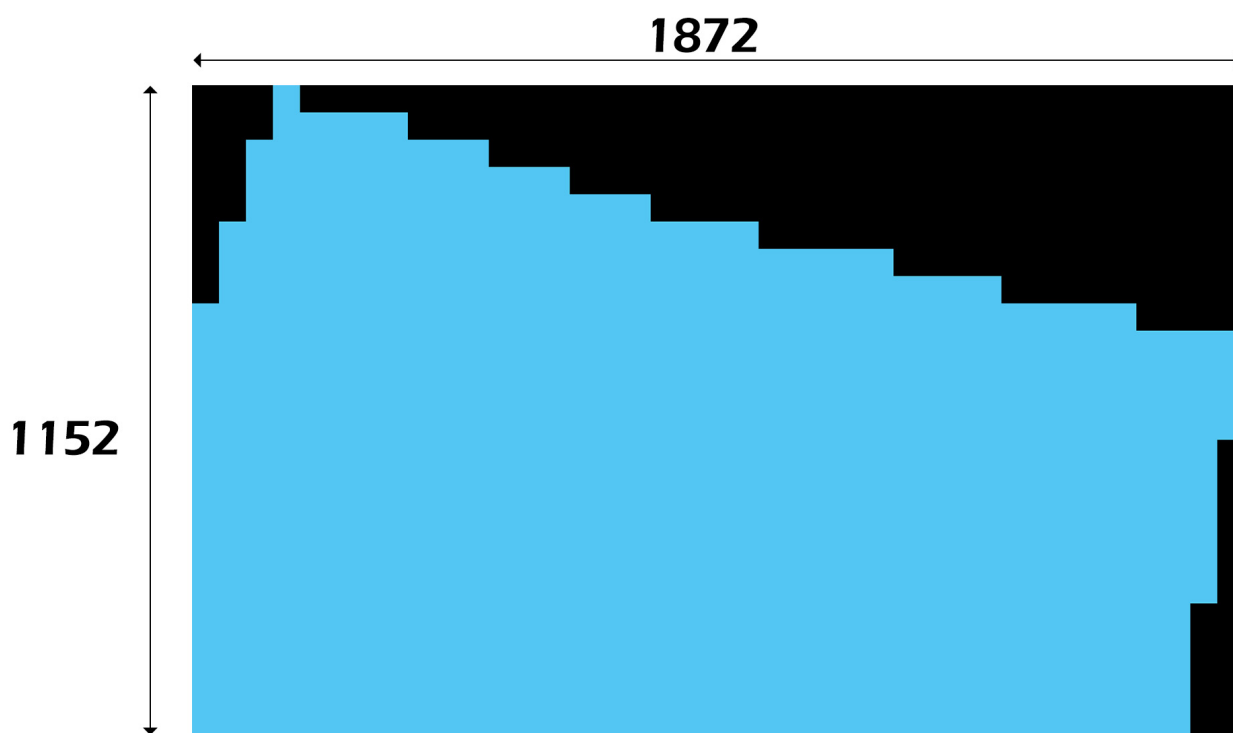

MINIMUM CHARACTER DIMENSION: minimum height 12 pixel & minimum width 8 pixel

VIDEO FORMAT (compatible with Quick Time Player): MP4 | 1872x1152px | H264 | 60fps

STATIC FORMAT: 300dpi | 1872x1152px | Jpeg - Png

Indications refer to one side of the 'Vele', which are composed of two identical sides. It's the customer choice to use only one creativity for both sides or different ones.

We suggest avoiding detailed content on vela's edge, it is better to use backgrounds & shades.
